Welcome to the Washington University in St. Louis SHS Student Portal (Secure Messaging, Online Scheduling and Online Health History Forms). This system allows students the ability to communicate with SHS providers, schedule and cancel select appointments online, to submit health history information electronically and print referrals.

Flu Shot Documentation/Compliance:
Students must comply with university flu shot requirements. To confirm you have received a Flu Shot, click the **"Forms"** link on the left and navigate to the **"Flu Shot Verification"** link. Additionally, students must submit evidence a flu shot was obtained. To submit Flu Shot Documentation, click the **"Immunization Upload"** link on the left and upload a file.

Text Message Reminders:
The Habib Health & Wellness Center now supports text message appointment reminders. You must opt-in to receive text message appointment reminders and can do so by clicking the 'Profile' link on the left and entering your mobile phone number and mobile phone carrier. Once you have entered that information, you can expect an appointment reminder text 24 hours prior to your Habib Health & Wellness appointment[s].

***Note*:** To opt out of text appointment reminders, simply remove your mobile phone number and mobile phone carrier from the same 'Profile' link on the left.

Secure Messages:
SHS has a Secure Messaging tool. Please understand that SHS will only respond Monday through Friday between the hours of 9 am and 3 pm. Messages received after 3 pm would not be attended to until the next business day. Do not use this system for emergencies or urgent matters, instead call SHS at 314-935-6666, Opt 0, during business hours, or, go to the nearest emergency room if SHS is closed or if you need immediate assistance for a life threatening or urgent matter. This tool utilizes your email address listed in WebSTAC. Please verify your email address in WebSTAC to ensure you receive the notification from SHS.

To initiate, read or respond to a Secure Message, click the **"Messages"** link on the left.

Health History Information:
To submit a Health History Form, Immunizations Form, or Meningitis information, click the **"Forms"** link on the left.

Appointment Information:
The SHS Student Portal also allows students the ability to make and cancel select appointments online 24 hours a day. Please plan on arriving at least 15 minutes prior to your scheduled appointment time.

To schedule an appointment online, click the **"Appointments"** link on the left. If you would prefer to not schedule an appointment online, please call 935-6666 to schedule an appointment.

[Advanced Options]
You are seeing this link because your patient record is configured as a testing record.

[Version: 12.11.5259]

Are you getting your Student Health 101? Click to get by email each month and learn how other students manage stress, relationships, their health and more!

Entrance Medical Requirements for Bob STUDENT

Name: **STUDENT, IMA WU H**

School: **Business**

ID Number: **365577**

Before you begin your studies at **Washington University in St. Louis** you must complete certain online requirements, including:

- Authorization for Medical Treatment and Financial Responsibility (required)
- Flu Shot Verification
- Health History Form (required)
- Medical TeleHealth Consent
- MHS Consent for Mental Health Services
- MHS TeleMentalHealth Consent
- RSVP Center Consent for Mental Health Services
- RSVP Center Telemental Health Consent

Prior to opening these pages to complete your health requirements:

1. Gather your health records, including medication and immunization records.
2. Review your records and your family health history with family members.
3. The first 3 forms are required for ALL students. The other forms are only necessary for students receiving telementalhealth services through Habib's Counseling department or the RSVP center (you will be directed to complete the appropriate forms after scheduling a telementalhealth appointment)
